

YIJUN ZUO

Department of Statistics and Probability
Michigan State University
East Lansing, MI 48824
Tel: (517) 432-5413 Fax: (517) 432-5413
Email: zuo@msu.edu URL: www.stt.msu.edu/users/zuo

Education

PhD, Statistics, 05/98, University of Texas at Dallas, (GPA 4.0/4.0)

MS, Computer Science, 12/97, University of Texas at Dallas, (GPA 4.0/4.0)

MS, Statistics, 12/95, University of Texas at Dallas, (GPA 4.0/4.0)

MS, Applied Mathematics, 05/95, University of Texas at Dallas, (GPA 4.0/4.0)

MS, Computational Mathematics, 05/90, Lanzhou University, Lanzhou, P.R.China

Diploma in Mathematics, 06/83, Zhenjiang teachers' college (now part of Jiangsu University), Zhenjiang, Jiangsu, P.R. China

Experience

Full Professor, Department of Statistics and Probability, Michigan State University, 07/06-present

Associate Professor, Department of Statistics and Probability, Michigan State University, 07/03-06/06

Assistant Professor, Department of Statistics and Probability, Michigan State University, 06/02-06/03

Assistant Professor, Department of Mathematics and Statistics, Arizona State University, 08/98-08/02

Teaching Assistant, Department of Mathematics, University of Texas at Dallas, 09/93-05/98

Co-op, System Engineering, Northern Telecom (Nortel), Richardson, Texas, 05/96-08/96

Lecturer, Department of Mathematics, Central South University, P. R. China, 08/90-08/93

Peer-Refereed Papers

1. Zuo, Y. (2021), “Computation of projection regression depth and its induced median”, *Computational statistics and data analysis*, Vol. 158, June 2021, 107184. [some thirty plus instances of (Matlab, R, and Cpp) code associated with the article are available at <https://github.com/zuo-github/comp-prd-medians>] arXiv:1905.11846.
2. Zuo, Y. (2021), “On general notions of depth for regression” *Statistical Science* 2021, Vol. 36, No. 1, 142–157, arXiv:1805.02046.
3. Zuo, Y. (2021). “Robustness of the deepest projection regression depth functional”, *Statistical Papers*, vol. 62(3), pages 1167-1193.
